Answer:B

physio -lecture (8)

8_12) All are true according to the adverse effects of thyroid hormones except?

- A) Muscle pain (myalgia)
- B) Anginal attacks
- C) Headache
- D) hyperthyroidism
- E) Arrhythmias

Answer: B

التحديات ليست سوى حجارة تُصقل بها عزيمة،
والفشل مجرد معلّم في رحلتك. لا تتراجع، فالنجاح لا يختار
الأكثر موهبةً، بل الأكثر إصرارًا. !
